

TIFFANY SIDES

TROY

Tiffany, what the hell was that 10k charge you added to our bill for usage rights of our sizzle reel? I never agreed to that.

TIFFANY

You can't put my girls in your reel and think it will be free honey.

TROY

We paid them 500 bucks each for the shoot. What was free??

TIFFANY

No, no Sweetheart. I never said usage was included. When can I expect payment?

TROY

Usage extra? That's bullshit. What did you think I was going to do with the reel? Beat off to it at home? I'll *think* about that crap.

TIFFANY

Don't think too long. There is a long line at my door.

As Tiffany exits she notices Francesca in a booth down stage with a guy. She grabs her and drags her out with her.

TIFFANY

Francesca! What in God's name are you doing? You're coming with me young lady!
